## Thank You for an exciting year!!

We hope your musical experience with Music for Little Mozarts was a fun and stimulating way to introduce your child to piano instruction. We hope that you will continue to value this important step in your child's music instruction.

In order for us to schedule Music for Little Mozarts next fall, we need to know how many students are planning to continue. The three class times will still be taught next year on Tuesday (4:15, 5:15 & 6:15), but we will need to know which students are continuing in order to put them each in the proper class.

If you are planning to continue on the journey with Mozart Mouse and Beethoven Bear in the fall, please contact Patricia Hudson **No Later Than April 20<sup>th</sup>**. The contact information is below. Please provide us with the following information:

1. Child's First and Last Name
2. Parent Name and email address
3. Current Class Time
4. Yes ☺, we will be continuing or No ☹, we won't be continuing
5. Another time/day, if any, that will be more convenient for us

Again, thank you so much for your participation in this program. We look forward to seeing you in the Fall!!
